

AMENDED IN SENATE MAY 28, 2013

AMENDED IN SENATE MAY 6, 2013

**SENATE BILL**

**No. 55**

---

**Introduced by Senator Hill**  
(Coauthor: Assembly Member Cooley)

December 28, 2012

---

An act to add *and repeal* Chapter 5.1 (commencing with Section 23710) to Division 11.5 of the Vehicle Code, relating to ignition interlock devices.

LEGISLATIVE COUNSEL'S DIGEST

SB 55, as amended, Hill. Ignition interlock devices: repeat driving under the influence offenders.

Existing law requires a person's privilege to operate a motor vehicle to be suspended or revoked for a specified period of time if the person has been convicted of violating specified provisions prohibiting driving a motor vehicle while under the influence of an alcoholic beverage or drug or the combined influence of an alcoholic beverage and drug, or with 0.08% or more, by weight, of alcohol in his or her blood or while addicted to the use of any drug, with or without bodily injury to another. Existing law also authorizes a person whose privilege is suspended or revoked in that manner to receive a restricted driver's license if specified requirements are met, including, in some instances, the installation of an ignition interlock device on the person's vehicle.

This bill would, commencing July 1, 2014, establish a statutory scheme under which, as a condition of being issued a restricted driver's license, being reissued a driver's license, or having the privilege to operate a motor vehicle reinstated for a 2nd or subsequent conviction for a violation of the above offenses, a person would be required to

install for a specified period of time an ignition interlock device on all vehicles he or she owns or operates, except as provided. The amount of time the ignition interlock device would be required to be installed would be based upon the number of convictions, as prescribed. The bill would require the department, with regard to the installation of an ignition interlock device described above, to notify the person of the ignition interlock device installation requirements established under the bill, accept notification from the installer of the ignition interlock device of attempts to remove, bypass, or tamper with the ignition interlock device or if the person fails 3 or more times to comply with the maintenance requirements, monitor the installation and maintenance of the ignition interlock device, and keep specified records. The bill would also require that manufacturers and manufacturer's agents, certified by the department to provide ignition interlock devices, adopt a fee schedule for payment of the costs of the ignition interlock device based on the offender's ability to pay, and would require the court to adopt a similar fee schedule with regard to the fees for the county alcohol and drug problem assessment program. *The bill would repeal these provisions on January 1, 2016.*

Because it is a crime to operate a vehicle that is not equipped with a functioning, certified ignition interlock device by a person whose driving privilege is so restricted, the bill would impose a state-mandated local program by expanding the scope of that crime.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Chapter 5.1 (commencing with Section 23710)  
2 is added to Division 11.5 of the Vehicle Code, to read:

3

4 CHAPTER 5.1. REPEAT OFFENDER IGNITION INTERLOCK DEVICES

5

6 23710. (a) (1) Notwithstanding any other provision of law,  
7 the Department of Motor Vehicles, upon receipt of the court's

1 abstract conviction for a violation listed in paragraph (7), shall  
2 inform the convicted person of the requirements of this section,  
3 including the term for which the person is required to have a  
4 certified ignition interlock device installed. The records of the  
5 department shall reflect the mandatory use of the device for the  
6 term required and the time when the device is required to be  
7 installed by this code.

8 (2) The department shall advise the person that installation of  
9 an ignition interlock device on a vehicle does not allow the person  
10 to drive without a valid driver's license.

11 (3) Before a driver's license may be issued, reissued, or returned  
12 to a person after a suspension or revocation of that person's driving  
13 privilege that requires the installation of an ignition interlock  
14 device, a person who is notified by the department pursuant to  
15 paragraph (1) shall complete all of the following:

16 (A) Arrange for each vehicle owned or operated by the person  
17 to be fitted with an ignition interlock device by a certified ignition  
18 interlock device provider under Section 13386.

19 (B) Provide the department proof of installation by submitting  
20 the "Verification of Installation" form described in paragraph (2)  
21 of subdivision (g) of Section 13386.

22 (C) Pay the fee, determined by the department, that is sufficient  
23 to cover the reasonable costs of administration of this section.

24 (4) The department shall place a restriction on the driver's  
25 license record of the convicted person that states the driver is  
26 restricted to driving only vehicles equipped with a certified ignition  
27 interlock device.

28 (5) (A) A person who is notified by the department pursuant to  
29 paragraph (1) shall arrange for each vehicle with an ignition  
30 interlock device to be serviced by the installer at least once every  
31 60 days in order for the installer to recalibrate and monitor the  
32 operation of the device.

33 (B) The installer shall notify the department if the device is  
34 removed or indicates that the person has attempted to remove,  
35 bypass, or tamper with the device, or if the person fails three or  
36 more times to comply with any requirement for the maintenance  
37 or calibration of the ignition interlock device.

38 (6) The department shall monitor the installation and  
39 maintenance of the ignition interlock device installed pursuant to  
40 paragraph (1).

(7) A person is required to install an ignition interlock device for the applicable term as a condition of being issued a restricted driver's license, being reissued a driver's license, or having the privilege to operate a motor vehicle reinstated subsequent to a conviction for a violation or a suspension of a person's driver's license, as follows:

(A) A person convicted of a violation of Section 23152 shall be required to install an ignition interlock device, as follows:

(i) Upon a second offense, the person shall install an ignition interlock device in all vehicles owned or operated by that person for a mandatory term of 12 months.

(ii) Upon a third offense, the person shall install an ignition interlock device in all vehicles owned or operated by that person for a mandatory term of 24 months.

(iii) Upon a fourth offense or any subsequent violation, the person shall install an ignition interlock device in all vehicles owned or operated by that person for a mandatory term of 36 months.

(B) A person convicted of a violation of Section 23153 shall install an ignition interlock device, as follows:

(i) Upon a second offense, the person shall install an ignition interlock device in all vehicles owned or operated by that person for a mandatory term of 24 months.

(ii) Upon a third offense, the person shall install an ignition interlock device in all vehicles owned or operated by that person for a mandatory term of 36 months.

(iii) Upon a fourth offense or any subsequent violation, the person shall install an ignition interlock device in all vehicles owned or operated by that person for a mandatory term of 48 months.

(C) The terms prescribed in this paragraph shall begin once a person has provided to the department proof of installation pursuant to paragraph (2) of subdivision (h) of Section 13386 and upon restoration of the driving privilege pursuant to Section 13352.

(8) A person who is notified by the department, pursuant to this subdivision, is exempt from the requirements of this subdivision if within 30 days of the notification, the person certifies to the department all of the following:

(A) The person does not own a vehicle.

1 (B) The person does not have access to a vehicle at his or her  
2 residence.

3 (C) The person no longer has access to the vehicle being driven  
4 by the person at the time he or she was arrested for a violation that  
5 subsequently resulted in a conviction for a violation listed in this  
6 subdivision.

7 (D) The person acknowledges that he or she is only allowed to  
8 drive a vehicle that is fitted with a functioning ignition interlock  
9 device.

10 (E) The person acknowledges that he or she is required to have  
11 a valid driver's license before he or she can drive.

12 (F) The person is subject to the requirements of this section  
13 when he or she purchases or has access to a vehicle.

14 (9) Subdivisions (j), (k), (m), (n), and (o) of Section 23575 apply  
15 to this section.

16 (10) If a person fails to comply with any of the requirements  
17 regarding ignition interlock devices, the mandatory term for which  
18 the ignition interlock device is required to be installed shall be  
19 reset by the department.

20 (b) (1) Every manufacturer and manufacturer's agent certified  
21 by the department to provide ignition interlock devices, under  
22 Section 13386, shall adopt the following fee schedule that provides  
23 for the payment of the costs of the ignition interlock device by  
24 offenders subject to this chapter in amounts commensurate with  
25 that person's income relative to the federal poverty level, as defined  
26 in Section 127400 of the Health and Safety Code:

27 (A) A person with an income at 100 percent of the federal  
28 poverty level and below is responsible for 10 percent of the cost  
29 of the ignition interlock device. The ignition interlock device  
30 provider is responsible for absorbing the cost of the ignition  
31 interlock device that is not paid by the person.

32 (B) A person with an income at 101 to 200 percent of the federal  
33 poverty level is responsible for 25 percent of the cost of the ignition  
34 interlock device. The ignition interlock device provider is  
35 responsible for absorbing the cost of the ignition interlock device  
36 that is not paid by the person.

37 (C) A person with an income at 201 to 300 percent of the federal  
38 poverty level is responsible for 50 percent of the cost of the ignition  
39 interlock device. The ignition interlock device provider is

1 responsible for absorbing the cost of the ignition interlock device  
2 that is not paid by the person.

3 (D) All other offenders are responsible for 100 percent of the  
4 cost of the ignition interlock device.

5 (2) The cost of the ignition interlock device may only be raised  
6 annually equal to the Consumer Price Index.

7 (3) The offender's income may be verified by presentation of  
8 that person's current federal income tax return or three months of  
9 monthly income statements.

10 (c) This section does not permit a person to drive without a valid  
11 driver's license.

12 (d) The requirements of this section are in addition to any other  
13 requirements of law. A person subject to this section shall comply  
14 with all applicable provisions of Section 13352 before a driver's  
15 license may be issued, reissued, or returned to the person.

16 (e) For the purposes of this section, "vehicle" does not include  
17 a motorcycle until the state certifies an ignition interlock device  
18 that can be installed on a motorcycle. A person subject to an  
19 ignition interlock device restriction shall not operate a motorcycle  
20 for the duration of the ignition interlock device restriction period.

21 (f) This section shall become operative on July 1, 2014.

22 (g) *This section shall remain in effect only until January 1, 2016,*  
23 *and as of that date is repealed, unless a later enacted statute, that*  
24 *is enacted before January 1, 2016, deletes or extends that date.*

25 SEC. 2. No reimbursement is required by this act pursuant to  
26 Section 6 of Article XIII B of the California Constitution because  
27 the only costs that may be incurred by a local agency or school  
28 district will be incurred because this act creates a new crime or  
29 infraction, eliminates a crime or infraction, or changes the penalty  
30 for a crime or infraction, within the meaning of Section 17556 of  
31 the Government Code, or changes the definition of a crime within  
32 the meaning of Section 6 of Article XIII B of the California  
33 Constitution.
